President - Dick Remski Sets agenda for board and member monthly meetings, hosts meetings, presents workshops, and helps planning outings and events for the club.

Vice-Prsident Ray Davis - My primary activities with the club, other than trying to attend most meetings and workshops, is working with Jerry on the image contest management. I maintain a completely separate set of submissions, scoring and monthly and yearly calculations to validate against Jerry's calculations. I also print the 3 winning photos every month for the club window at the CATC. Given a bit more time, I plan on helping more with the club website.

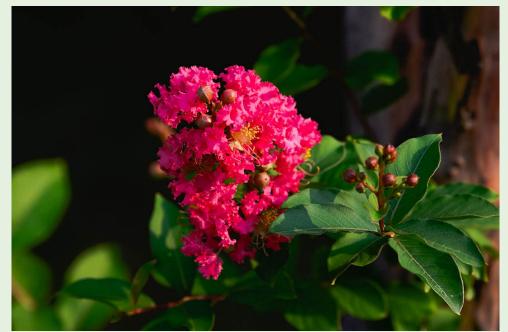

Secretary/Treasurer Mary Ornberg - I have been Secretary/Treasurer for the club since 2015. They say it's just easier to keep my info on record at the bank. lol. My role is to maintain membership records, collect dues every year and balance the checkbook. I attend all board meetings and most general meetings. I joined the club to help me with photography however my skill level is video editing and converting film to dvd/flash drive, photo editing, creating slideshows with music, etc. Robson Ranch has given me a tremendous opportunity to grow my business.

Club Display Window

In **December**, the club window will display "*Vintage photos*" as a window to the past, both in print and on the digital monitor. Contact Mike Waterhouse, Randy Hatcher, Steve Simpson or Dick Remski for help if you want to contribute content.
