

Fossil Rim Wildlife Park, Glen Rose, TX.
Thursday, May 8
The tour starts at 9AM
40.00/per person

Join the club for a *Guided Tour of Fossil Rim Wildlife Park* on Thursday, May 8. Tour starts at 9AM and is Approx. 2 hours in length. That means we'd leave here around 7AM and likely get back around 2PM after having a short lunch (place TBD).

The tour will be on an open-air Safari vehicle with a tour guide that can identify the animals and answer questions. We'll drive on the public roads BUT also have access to "staff only" roads to get closer to the animals. The guy I spoke to said "It's Spring and that means babies"!!

The deadline to let me know if you're going is Tuesday, May 6. I will be buying tickets @40.00/pp that Sunday evening.

If you sign up to go and I've paid for your ticket and then you cancel, as far as I know there are no refunds.
